SKILLS SUMMARY

Languages : C, C++, Python, JavaScript

Frameworks/Library : Tailwind CSS, Angular.js, React.js, Next.js, Zustand, Redux Toolkit, ShadCN

Database : MySQL, MongoDB

APIs & Tools: REST APIs, Postman, Git, GitHub, Clerk

PROJECTS

CoinTrace – Cryptocurrency Tracking Website | Next.js, ShadCN

cointrace.vercel.app

- Built a production-ready cryptocurrency tracking application with real-time data integration from external APIs, supporting both client-side and server-side rendering for performance and SEO optimization.
- Implemented secure user authentication and session management using Clerk, enabling personalized access and protected routes.
- Designed modular UI components, interactive charts, and filtering systems for efficient data visualization and smooth user interaction.

WeCare – Hospital Booking System | MERN STACK

wecare.netlify.app

- Developed a full-stack hospital management system enabling appointment scheduling, patient data handling, and real-time interaction between frontend and backend.
- Integrated REST APIs for seamless data flow, implementing CRUD operations for patient records and appointment management.
- Designed intuitive UI for doctors and patients, improving usability and reducing manual workflow dependency.

AamJob – Job Portal Website | React.js

aamjob.netlify.app

- Built a dynamic job portal application enabling users to browse, search, and filter job listings through structured component architecture.
- Implemented reusable UI components and responsive layouts to ensure cross-device compatibility and smooth user experience.
- Integrated client-side state management and optimized rendering for efficient navigation and improved usability.

CERTIFICATIONS

Certificate in React.js – HACKERRANK 

Sept 2025

Certificate in Programming with JavaScript – COURSEARA 

March 2025

EDUCATIONS

Lovely Professional University – Punjab,
Bachelor of Computer Applications
CGPA: 8.90

Since August 2023

Modern Academy – Bihar,
Higher Senior Secondary
Percentage: 76%

April 2020 - March 2022
